

HCI Health-Key Keyboard Model 2

115946

CREST
HEALTHCARE®

1
YEAR
WARRANTY

Description

Created in collaboration with a major hospital to meet their high standards for both infection control and ease of use, this feature-rich medical keyboard is easy to keep clean, set up and use. Its Gorilla® Glass surface and sealed design makes disinfection simple with any hospital-grade disinfectant. Optional cleaning software available for download at no charge. Software includes instructions and signals when the device needs to be cleaned.

Features

- Smooth, Gorilla® Glass surface
- IP68 water-resistant & dishwasher safe
- Automatic notification when keyboard needs to be cleaned (optional no-charge software required)
- Built-in touch pad, no need for a separate mouse
- Haptic & audible feedback
- Plug and play USB connection compatible
- 2.4Ghz dongle
- 30 day battery life
